15th annual
Sunscreen Film Festival

About Us

The 15th Annual Sunscreen Film Festival takes place April 30 - May 3, 2020. The festival is internationally acclaimed and has been attended by celebrities and filmmakers from all over the world. The festival attracts top films and talent from across the globe to St. Petersburg, FL each year.

1 of 23 festivals in US sponsored by the Motion Picture Academy (2013-2014)

Our Audience

The Sunscreen Film Festival attracts an engaged, educated, and desirable audience attractive to a wide variety of brands and sponsors.

"Championing courageous, distinctive, transcendent films." - J. Alvarez

Diversity

Half of all films screened at the 2019 festival were produced or directed by women. Sunscreen supports and programs films and workshops with diverse voices and from underrepresented cultures. Diversity, inclusion and unique expressions in film are a vital part of Sunscreen's core programming.

Guests and Community

Sunscreen is broadly known for being an accessible festival where attendees mix and mingle with filmmakers, actors, writers, producers and celebrities in an open and relaxed atmosphere. Careers and connections within the industry are built and established at Sunscreen every year. The strong supportive industry presence makes the festival a not to be missed event.
